

Questions about insurance?

Each year, there are new plans, new benefits, and new types of coverage. Making sure you have the right insurance for your unique health needs is an important part of managing kidney disease.

When you are ready to compare insurance plans that may include your physicians, hospitals, transplant centers, and prescriptions, here are a few options:

/// Call Medicare at **1-800-MEDICARE** or visit **Medicare.gov**

.....

/// Visit the State Health Insurance Assistance Program at **SHIPHelp.org**

.....

/// Contact an independent licensed insurance agent, like those at:

- **SelectQuote**

Call **1-855-259-8449** (TTY 1-877-486-2048)
or visit **SelectQuote.com/FreseniusKidneyCare**

- **eHealth**
