

# My foods to choose

The foods you choose are important to help you feel your best. Use this list of 100+ great food choices as a quick reference guide and shopping list. Depending on your dialysis treatment and overall health, your potassium needs will vary. It's important to talk to your dietitian to learn more about good food choices and how you can eat the foods you love.

## Protein:

*Serving size: ½ cup or 3-5 ounces, cooked*

- Beans
